Yes, it sounds militant. I don't care. I'm ready to play their game.

Someone suggested that Bowser was gonna close all public restrooms to inconvenience us.

Then an enlightened pede suggested that BLM plaza was a great place to take a shit.

Modern problems need modern solutions.

"December 8th 2018 the Yellow Vests took the "Arc de Triomphe", a symbolical place in Paris. They were proud of themselves, but what did it changed? "Rien", nothing. Macron was still President by the end of the day. He saved his ass because the Antifas cunts led the Yellow Vests to attack the "Arc de Triomphe" and not the "Elysée".

To distract you from your attempt, your enemies will offer you symbolical goals to reach... But those won't give you Trump elected. Take care: secret services or dumb people will try you to lose energy on useless goals.

Focus on your only goal: to have Donald Trump President Elect by the end of the day. You have to (1) prevent the Democrats to arrive in Congress, (2) besiege the fucking swamp until Trump elected, (3) prevent the swamp to get out if Trump isn't elected, (4) and you know what to do with them if Biden is elected. LOSERS DON'T MAKE HISTORY.

If you can't reach Congress (and block all its exits, included the secret ones), you will lose."

THIS INDEED.

Buuuut if you *really* gotta shit, unload your dump in BLM Plaza. Real pedes will avert their eyes to give you privacy, and headshot the perverts who stare or worse.

We're just going to rope it off and use it as an open restroom, kind of like San Francisco. It will remind Nasty Piglosi of home... ;-)

After achieving real tangible wins with protecting our Republic and stopping the steal. Emotionally cathartic and symbolic wins are fine...after the real work is done.

It'll offend Marxists.

But then, so does throwing them out of helicopters.

They just fucking bitch about *everything*.

the fact that they are such bitches IS a big problem. They act like a bunch of children and our society suffers all while they act self-righteously like they think they're making our society better by using the differences of our people to achieve their own political goals only to forget about the people they used until the next election

BLM Plaza needs to be ground zero. They will stall until all the protesters no longer have funds to stay and need to get back to work.

Blitzkrieg and retake Washington quickly.

I've been saying this. Crush the siege of the Whitehouse quickly and decisively. They deserve it. You just have to organize the people willing to walk over there and go straight away with no hesitation before the cops can step in and create a barrier.

Seriously, why isn't the plan to immediately surround and overwhelm them? They've done nothing but attack patriots and use mob violence to silence us, it's time for some payback. Make their friends think long and hard if the couple hundred Soros bucks per day is worth the skull cracking.
